Dear Chair Sakalauskas,

BRITISH COLUMBIA EGG MARKETING BOARD ELECTION RULES AND PROCEDURES – APPROVAL

Under the *British Columbia Egg Marketing Scheme*, s. 18.1(2), the BC Egg Marketing Board (Egg Board) election rules and procedures do not come into effect until approved by the BC Farm Industry Review Board (BCFIRB).

On July 18, 2025, the Egg Board, following its regularly scheduled review, submitted a copy of its election rules and procedures to BCFIRB citing that no changes to the 2022 election rules and procedures are being requested.

I have been appointed by the Chair of BCFIRB as a one-person panel to review and if appropriate, approve the election rules and procedures.

Analysis

Process

The Egg Board fulfilled BCFIRB's process expectations. The submission included all requested items including a description of the consultative process, a copy of the motion to approve the rules, and a clean copy of the revised rules. The Egg Board conducted a producer consultation to review the impact of the changes implemented in 2022 and to determine whether additional changes were needed; producers indicated that no further changes were required. As there are no proposed changes, a tracked changes version and SAFETI¹-based rationale were not needed in the submission.

¹ Strategic, Accountable, Fair, Effective, Transparent, and Inclusive
